Vessel Type	Bulk carrier	Analysis Date	15-JUN-22
Class	non IACS	Delivery Date	04-FEB-09
Flag	SYRIA	Deadweight	18908
		TEU	

Early warning of a vessel's activities can be sourced from social media crew comments - demonstrating just how indicative crew comments are regarding a vessel's safety and operation.

Posted Social Media Crew feedback 19.05.2022: *'The vessel is a trough; the crew is inadequate. The vessel is flying under the flag of convenience - Syria. No supply, poor quality products. Engaged in illegal transportation of cereals from Ukraine to the Mediterranean.'*

16.06.22 The FINIKIA is one of five vessels listed by Fleetmon News involved in the illegal confiscation and shipping of Ukranian grain.

The Red risk rated FINIKIA requires all parties to take immediate action to control the vessel hazard. High risk for Sanction busting repercussions.
